The Ascension of the Lord

The Ascension doesn't indicate Jesus' absence, but rather it tells us that He is living among us in a new way. He is no longer in a particular place in the world as He was before the Ascension. Now He is in the Lordship of God, present in every space and time, close to each of us. In our lives we are never alone: we have this Advocate who awaits us and defends us.

We are never alone. The crucified and risen Lord guides us. With us there are many brothers and sisters who, in their family life and their work, in their problems and difficulties, in their joys and hopes, daily live the faith and bring, together with us, the Lordship of God's love to the world. In Jesus Christ, risen and ascended into Heaven, we have an Advocate.

Ascensione del Signore

L'Ascensione non indica l'assenza di Gesù, ma piuttosto ci dice che Egli è vivo tra noi in un modo nuovo. Non è più in un luogo particolare nel mondo come prima dell'Ascensione. Ora Egli è nel Signore Dio, presente in ogni spazio e tempo, vicino ad ognuno di noi.

Nelle nostre vite non siamo mai soli: abbiamo questo Avvocato che ci attende e ci difende. Il Signore crocifisso e risorto ci guida. Con noi ci sono molti fratelli e sorelle che, nella loro vita familiare e nel loro lavoro, nei loro problemi e difficoltà, nelle loro gioie e speranze, vivono quotidianamente la fede e portano, insieme a noi, il Signore Dio nel mondo con il suo amore. In Gesù Cristo, risorto ed ascendente al Cielo, abbiamo un Avvocato.

We welcome and pray for the children who received the sacrament of baptism last week:

Aurora Catalina Orellana

Francesco Cappabianca

Noah Alexander Oliviera

May God bless them!

We extend our sympathy and prayers to the family of our loved ones who have passed away:

Domenico Caranci

May he rest in peace. Amen

The Ascension of the Lord - May 12, 2024

Mother's Day is a perfect moment to thank our mothers for giving us life. A mother, like no one else, has the power to open our minds and hearts to the reality that not only is life good, but your life and my life, by name, is very good and has infinite value and God-like dignity. As St. John Paul II so beautifully pointed out, part of the genius of a woman is the indispensable role she plays in showing all of humanity the tremendous value of every human person.

Our mothers have this role in a preeminent way. They give us life. But a mother's role doesn't stop there. We know they are meant to feed us, to love us, to raise us, to pass on the faith and lead us to Jesus, to teach us by their actions and words that you are so important that God died to save us and make us his friend. How desperately our world needs mothers and their witness to human life.

What a task!

What an amazing person a mother is!

Take a moment today; thank and love your mother. Thank you to all the mothers of the parish who are, to their children the most beautiful women in the world. May God bless the mothers of our parish today and always.

La Festa della Mamma è un'occasione per ringraziare le nostre madri per il dono della vita. Oltre a dare la vita, le madri ci nutrono, ci amano e ci guidano, trasmettendo la fede e l'importanza di ogni individuo.

La loro testimonianza sulla vita umana è preziosa per il mondo. Grazie a tutte le madri della parrocchia per il loro amore e dedizione.
